## Expect Introduction of Bill To Set Up Conservation Corps

Vikings Trip Harbor Springs Rams

Grayling Travels To Charlevoix Friday For Conference

Myron Burrows Photo

**ACTION BETWEEN GRAYLING AND HARBOR** — Frank Gross, Grayling forward drives for a shot at the Harbor Springs basket as VanAver, Harbor Center attempts to stop him. Others in the photo are: 34-Joe Robertson, 42-Sherm Neal and 32-Tom Wright. 25 for Harbor's Stutsman, the other Harbor player cannot be identified.

The Grayling Vikings, after keeping their victory string intact at five straight in the conference, with a 59 to 47 victory over Harbor Springs here last Friday night, travel to Charlevoix this Friday night for another conference battle.

Although the Rayders hold only a three won, two defeat record in conference play thus far this season, they are always tough on their home floor and the Vikings

will have to be in tip-top condition to hold their victory streak together.

Last week in conference action, East Jordan won the Charlevoix Rayders 51 to 38, the Mancelona Ironmen slipped past the Boyne City Ramblers 46 to 44 and the Grayford Blue Devils stopped the Pellston Hornets.

Other conference play this week will match East Jordan with the Rams at Harbor Springs; Boyne City will be at Grayford; Pellston will be Mancelona. East Jordan should stop Harbor; Boyne City should stop Grayford and the Ironmen will have no trouble defeating the Pellston Hornets.

On comparative scores with common opponents, Grayling should be able to defeat Charlevoix. The Rayders stopped Pellston 54 to 18 in an opening game in conference play, Grayling was only able to halt the Hornets 50 to 33. Grayling, however, defeated Mancelona 56 to 48 while the Ironmen tripped Charlevoix 55 to 45. Grayling stopped the East Jordan Red Devils 63 to 50 while the Red Devils halted the Rayders 51 to 38. Grayling whaled the Harbor Springs Rams 59 to 47 while Charlevoix stopped Harbor 51 to 41.

Last Friday night here, Grayling jumped off to a 16 to 12 lead at the end of the first frame and added a cushion in the second quarter to lead 32 to 25 at intermission. Harbor outscored the Vikings 13 to 19 in the third stanza but Grayling came back with a 15 to 9 final period to win going away.

Grayling ran up their 59 point total on 21 field goals and 17 out of 32 free throws attempted. They were called for 13 fouls. Harbor hit 18 field goals and 11 out of 19 free throws attempted. They were called for 22 fouls and lost the services of two players late in the game via the personal foul route.

Frank Gross again paced the Viking attack with 26 points, 11 field goals and 4 out of 10 free throws. Tim Neal and Joe Robertson were the only two other Vikings to hit double figures as they both tossed in 10 points. Sherm Neal added 10 points and 10 rebounds. Carl Carlson 2, Gary Stutsman with 15 and Frank Lauer and Tom Graham with 11 each paced the Ram's scoring drive.

The little Vikings came up with a loss on Friday night as they were stopped by the little Rams in a heartbreaker. The score was knotted at 9 each at the end of the first quarter of play but Grayling came up with an 8 to 5 second period to lead 17 to 14 at halftime. In the third quarter, the little Rams hit 10 field goals and a foul shot for 21 points while the best the little Vikings could do was 2 field goals and three foul shots. Trailing 25 to 24 going into the final frame, the Grayling Jayvees dropped the game on good defensive play.

Grayling's scoring was quite evenly divided with Chris Kroll getting 9, Walt Fallon 8, Mike Young 5, Gary Lucksted 3, Harvey Merithew 2 and Bill Joseph 1. Ranney with 14 was high for the little Rams.

### Sportsman Offer

Ray For Solo

Due to not enough donations coming in, the Grayling Sportsman Club will be forced to sell some of the hay which they have purchased for deer feeding purposes.

Anyone interested in buying the hay to feed to deer in their area should contact John Latuza at the Grayling Golf station, it was said.

## Legislature To Be Asked To Appropriate \$1,400,000 Fund

A bill to authorize the military establishment of Michigan to form a state civilian conservation corps is expected to be introduced in the State Legislature during the early days of its 1961 session.

The move on the part of the state's military establishment was generally looked on with favor by both members of the House and Senate, it was said in Lansing.

The establishing and forming would be done under the direction of the Adjutant General of Michigan, Major General Ronald D. McDonald, under a proposed bill, it has been learned by the Avalanche.

The Adjutant General would formulate rules and regulations for the operation of the Corps, establish qualifications for enlistment, establish quotas of enlistment.

## Roy O. Milnes Dies Suddenly

Funeral rites were to be conducted at Michigan Memorial Church at 2 p. m. this Wednesday for Roy O. Milnes, 64, of Grayling, who succumbed at Grayling Mercy Hospital Sunday evening after a short one-day illness.

Rev. R. C. Puffer will conduct the funeral services at 2 p. m. at the church. Surviving are: wife, Mrs. Willard Cornish, Harvey Rowland, Don Gotro, Don Smock and Frank Bond serving as pallbearers. Interment will be at Elmwood Cemetery.

Mr. Milnes was born on March 19, 1896 in Frederic and had made his home in that village and Grayling all of his life. He was united in marriage to Myrtle Rodgers in

### NOTICE

Grayling Public Schools will be closed Wednesday, January 11, that the teachers may attend the funeral of Roy Milnes, a school board member for twenty-one years. Business places in Grayling were also requested to close from 10:00 to 3:00 p. m. for the services.

Mr. Milnes was an outstanding athlete while attending Grayling High School as a member of both the basketball and baseball teams. Later after graduation, he played for Indianapolis in the professional basketball league.

He also served as a highly respected basketball official for many years throughout northern Michigan.

In later years, the deceased turned to golf and bowling and in both sports was an outstanding competitor. He held the championship at the Grayling Golf Club for a number of years and was a member of a championship bowling team in the Grayling Bowling League on a number of occasions.

Mr. Milnes was also very active in local governmental affairs, having served a number of distinguished terms on the Grayling City Council. He resigned in June, 1958 from the Grayling School Board after serving for 21 years.

He was also a member of the board of directors of the County Tax Allocation Board and the County Board of Canvassers.

Roy, as he was better known to his many, many friends, was a member of the Kiwanis Club of Grayling, the Grayling Golf Club, Grayling Post 106, American Legion and Grayling Lodge 356, F. and A. M.

His church affiliation was with the Michigan Memorial Church at Grayling where he served as an usher-most every Sunday morning and was an active member of the Men's Club and one of its past presidents. He set a fine example as husband, father, neighbor and citizen and will be sorely missed by all who knew him.

Mrs. William Robin of Portales, N. Mex., flew to Traverse City Sunday, called her by the illness of her father, Roy Milnes, and was met by Don Gotro at the airport. She arrived in time to see her father before his death. Mr. Robin flew to Traverse on Tuesday and was met by Willard Cornish and Dr. J. C. Cook.

Melvin Yoder of Birmingham, Ala. was in Grayling on business the day of the funeral.

ment from the state's counties, establish a training program of both on-the-job training and necessary academic subjects, set advancement requirements and disciplinary measures, formulate policies regarding discharge from the corps.

The corps would be composed of one or more companies not to exceed 185 officers, enlisted men and trainees per company. Each company would be staffed with a cadre of national guard officers and enlisted men selected by the Adjutant General. Only youths between 16 and 17 years of age would be eligible to enlist providing they meet enlisted men requirements. Enlistments would be for one year with the option by a trainee to reenlist.

Compensation of a trainee would be set at \$30 per month with a scheduled advance in pay for incentive to those advancing in rank and capabilities. The Quartermaster General, Brig. General Carson Niefert would be responsible for, under the proposed bill, housing, clothing, food, equipment and compensation for the corps which would be first established at Camp Grayling and possibly later at other locations designated by the Adjutant General.

The proposed bill asks for an appropriation of \$800,000 for operation of the corps through June 30, 1962. Another appropriation of \$800,000 for construction and renovation of facilities at Camp Grayling to handle the operation of three full companies in the civilian conservation corps, will be asked for in the proposed bill, the Avalanche has learned.

Provided that both the House and Senate approve the bill and it is signed by Governor John Swainson, the military establishment hopes to begin construction work on permanent-type barracks at Camp Grayling in the very early spring with the corps being ready to move in and brought to Camp Grayling as early as conditions warrant.

## Explain Social Security Tax Changes For 1961

Enclosed with the payroll tax form, effective from the federal government for reporting the last quarter of 1960 taxes was a notice spelling out the changes in "Social Security" taxes for 1961. There has been considerable misunderstanding as to the part of many employers as to which taxes are affected.

Under the broad term "Social Security" there is included two federal payroll taxes and one state payroll tax for workers.

The federal taxes are: 1st. The Federal Insurance Contributions Act, which provides for old age benefits (also survivor's insurance for widows with minor children). This is the tax that both the employer and the employee pays, one-half from each. The rate for 1961 is 3% from each, the same as it was for 1960. There is no change of rate in connection with this tax.

2nd. The Federal Unemployment Tax Act which provides for federal participation in the state insurance programs. This tax is paid by employers of four or more employees, based on the first \$2,000.00 earned by each employee. There is allowed against this tax (3% in 1960 & 3.1% in 1961) a credit of 90% for taxes paid into the state fund, the Michigan Employment Security Commission in this state. This "Social Security" tax that is being changed. The net effect of this tax increase is quite small, in that the 1% increase will be offset by a 90% credit, which, in effect, means that the increase will actually amount to .01% of taxable payroll.

The state payroll tax is the tax administered by the Michigan Employment Security Commission which provides for unemployment insurance benefits for workers laid-off by covered employers. This tax applies to employers of four or more employees for twenty weeks of the year and is based on the first \$3,000.00 of earnings of each employee. Rates determined by the Michigan Employment Security Commission. The rates, as determined, are based on the claim experience of each employer.

## County Christmas Seal Total Reaches \$439

Contributions to the 1960 statewide Christmas Seal Campaign have reached a total of \$906,581.81 according to Charles H. Baker, president of the Michigan Tuberculosis Association.

"Total Crawford County contributions so far equal \$439.00 in every day," said Baker.

"Each year about 25 per cent of the total campaign reaches us after Christmas," said Baker, "and we want and need this money to carry on an effective year-round program against TB and respiratory diseases."

Deaths from all diseases of the respiratory system combined rank fourth as the leading cause of deaths in the U. S. according to the National TB Association.

Baker urged all those who have forgotten to send in the contributions to the Christmas Seal Campaign to mail it today so that the campaign books may be closed for the year.

Christmas Seal funds help for vital TB and respiratory diseases case detection projects, adult and school health education, government cooperation, drug and vaccine research, patient rehabilitation, and patient education.

## Michigan's Little Lion

Feel like whipping your weight in pounds? Well, here's about 20 pounds of untamed fury for a starter (or chase). If looks could kill, Conservation Department photographer Clyde Allison would have been a goner when he snapped this snarling cat in a swamp near Bismarck. Obviously, he was more than a little miffed by Allison's rude invasion of his domain. As Michigan's last survivor of the cat family (except for an occasional lynx), the bobcat is highly prized, especially in the lower peninsula, where he is treated as a game animal. He provides a stirring call to the wild to hunters and their dogs during the December 15-March 15 season in this part of the state. Above the Straits, the bobcat is hunted year 'round, both for sport and a five-dollar bounty. Mich. Dept. of Conservation

Mr. and Mrs. Trudgeon drove her to Detroit to visit other relatives in between times, remaining for a couple of days themselves, and taking their two oldest youngsters with them. The younger ones stayed at home under the care of Miss Karen Bohlenmeyer.

The DeVere Wolcotts were hosts to their family on Christmas. Their guests being Mr. and Mrs. Roy Wolcott, Mr. and Mrs. Steve Stephan, Kay, Brad and Richard, the Don Stephens of Grand Rapids and Mr. and Mrs. Gene Williams of Roscommon.

Town 'n Country TV and Radio service phone number is DI 8-3043. Mrs. Bill Wynn phoned her sister Mrs. Jim Wakeley on Christmas, to say they had rebuilt their place at Tavernier, Fla., to the point where it was livable. They found the inside of their home a complete wreck following last fall's storm, all the furniture a total loss, and much of the building damaged from 8 inches of water standing in it for some time. But they have fixed it up, and added another room, and redecorated. Naturally they are both busy, but homesick for here.

Mr. and Mrs. Joseph Tyron and family visited their parents, Mr. and Mrs. Ivan Pelter in Ludington and Mr. and Mrs. Frank Tyron Sr. in Manistee for ten days during the holidays, returning home New Years day.

Mrs. and Mrs. Harold Drake left Saturday for Key Largo, Fla., where they both expected to be working this winter at the Ocean Reef Club. Miss Dora Feldhauser will operate Margie's Beauty Salon while Mrs. Drake is away.

Friends and relatives dropped in on Mrs. Nela Petro Tuesday, January 3rd, to help her celebrate her 83rd birthday.

Mr. and Mrs. George Griffith were in Grand Rapids on business Saturday. On Tuesday Mr. Griffith was in Traverse City for a check-up following surgery on his eye last week on Tuesday.

The Robert Tapley family returned home Tuesday of last week after spending the holidays visiting their respective parents at Wellesley, Mass.

We have a new address for George Ginterick as follows: Pvt. George C. Ginterick, 1954-483, 2nd Inf., Trng Regt., Marine Corps Base, Camp Pendleton, Calif.

Mr. and Mrs. Lewis Krome and daughter Joan of Lincoln Park visited her mother, Mrs. Carl Krome, on New Year's weekend. They were all guests of Mr. and Mrs. Herbert Stephan for New Year's dinner.

Town 'n Country TV and Radio service phone number is DI 8-3043. Bob Welsh spotted an all-white bluejay in the trees outside his home last week, and called his family to see it too. They have seen it several times since then.

Mrs. Welsh is pretty sure the first time they saw the bird it had a black ring around its neck. Later, the bird they saw had no black ring at all, so there must be a pair of them in the neighborhood, as the bird - the Harvey Rowlands saw did have a neck-ring. Dr. and Mrs. L. J. Green have seen the all-white jay also, the first time before Thanksgiving. Mrs. Welsh has also watched a hawk circle from her window, and Tuesday morning of last week watched a sleepy great horned owl being pestered by jays just outside.

Miss Sally and her brother Jerome Brady of Detroit spent New Years with their parents, the John Bradys.

Mr. and Mrs. Norval Stephan and Mrs. Eureka Stephan visited Mrs. Earl Mathewson at the hospital in Traverse Monday last week. She suffered a coronary attack before Christmas.

We wonder if many people heard and enjoyed the Christmas carols sung by the L.S.D. church choir downtown the Friday evening before Christmas. They caroled for an hour, in 10 below zero temperature.

## Michigan Is Everything For Industry

When we look at Michigan, as proud citizens, we admire its verdant forests, its myriad lakes, its miles of smooth highways, its ever-growing tourist attractions.

In our praise of the state, which we naturally regard as the finest of them all, we sometimes forget, however, that natural resources have made Michigan economically great in the past and can make her even greater in the future.

These are the resources imperative in attracting industry here, the resources that assure industrial growth today, the vital ingredient that has made Michigan a dynamic industrial giant for so many years.

The resources are here—all we need to do is to make sure everyone knows it!

For instance, when you see the "Water Wonderland" that is a part of Michigan's natural beauty, remember that the water of which we boast is just one of industry's greatest needs. Water is indispensable, and Michigan has lots of it, as well as an abundance of other resources to fill the needs of industry.

Your newspaper, proud to be a Michigan citizen, will publish a series of public service advertisements, the first of which appears today. The series, telling the story of Michigan's advantages for industry, has been prepared as a cooperative effort of the Michigan Press Association and the Michigan Economic Development Department for state-wide use throughout 1931.

This is our contribution toward reminding our readers that "Michigan is Everything for Industry"—that it has everything industry needs.

You can help, too, in telling the Michigan story to the nation by sending these advertisements to people in other states. This is one way to let them know that which we already know—that Michigan is the greatest!

Do it today. As our advertisement on Page 6 says: Together we can assure a greater future for all of us.

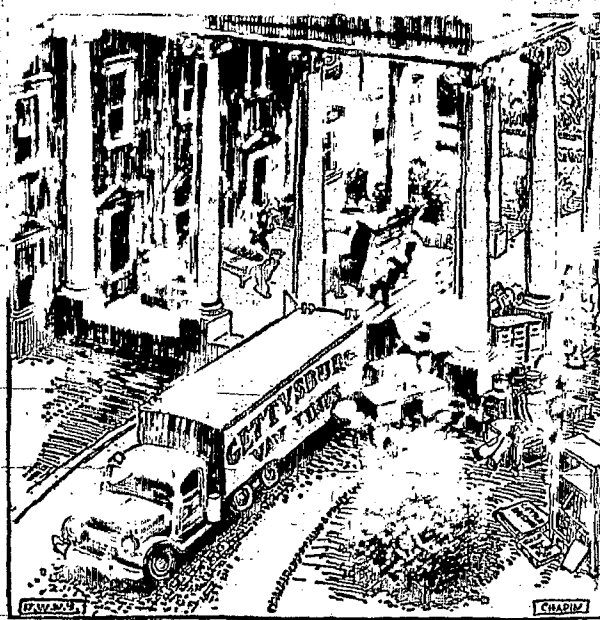

## Claims Vs. Facts . . .

A news item in The New York Times reports a leading economist as saying that "claims of the Soviet Union that its economic system was more efficient than that of the United States could not be supported by the facts."

The economist is John M. Cassels, of the Rockefeller Office. If present growth rates are maintained, he said, Russia's per capita output will not equal ours for more than a century, which is a far cry from Khrushchev's contention that she will pass us by 1970.

Mr. Cassels does not sell Russia short. He describes her as a "formidable antagonist" and every informed

## MOVING DAYS

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

January 13, 1938

The first Kirby Snow Train from Detroit arrived in Grayling at about 1:30 p. m. Sunday and there was a big crowd present at the depot to welcome the visitors. Gayly clad young men and women in festive spirit came pouring out of the coaches all set for a big time. As usual the toboggan slides were the big attraction and loaded toboggans were soon flashing down the icy slides. And when "Suicide Sal," the longest toboggan in the world, with its twenty passengers, shot down the slides, and did not halt before reaching the very limit of the slide, over 2,000 feet, the much-frightened occupants breathed a sigh of relief but all wanted to "do it again." Sverre Kolterud, 23 year old Norwegian ski jumper, of Oslo, Norway, gave an interesting exhibition of skiing skill. Kolterud is a member of the Sonja Henie troupe now appearing in Detroit. Kolterud came to America early last month and appeared in a number of events in the east. He won the skiing championship of Canada, the Eastern championship and the cross country.

Grayling Lodge I. O. O. F. No. 141 at a meeting held at their hall Tuesday evening, installed officers for the ensuing year. They are as follows: Noble Grand—Earl Broadbent; Vice grand—Eugene King; Fin. Secretary—Paul Ziebell; Rec. Secretary—Neil Mathews; Treasurer—Hans Peterson; Trustee—Nick Schjotz; Al L. Roberts, Chris Johnson; Hall manager, Neil Mathews. Axel Peterson, district grand deputy, was the installing officer. As usual the pinocle fans had several games of cards afterward, and lunch was served. There are several of the members who look forward to the meeting every fortnight for that friendly game of pinocle.

Mr. and Mrs. James Perry celebrated their Golden Wedding anniversary on January 7th. As it was close to the end of the week the celebration proper was held Saturday and Sunday. This fine couple enjoyed the occasion with some 60 of their relatives present. When Mr. and Mrs. Perry renewed their wedding vows, their oldest son William and wife, who were celebrating their silver wedding anniversary that fell on the same date as that of their parents, were the attendants. Nels Olson of Lansing is spending some time here visiting his parents, Mr. and Mrs. Ebern Olson.

Mr. and Mrs. Edward Mayotte, the latter's mother, Mrs. Rasmus Jorgenson and Benny Jorgenson spent Sunday in Petoskey. Sigvald Hanson and son John of Mt. Pleasant spent the week end here, guests at the home of Mr. and Mrs. T. P. Peterson.

Mrs. Robert Collen and Miss

Evelyn Allen of Fairview visited Miss Elizabeth Kraus over Sunday. They were all former students at C. T. C. M. Pleasant. Miss Kraus has returned to her position at the Michigan Public Service office Monday after having been absent for a few days because of illness.

Mr. and Mrs. Warren Vallad and children of Kalkaska spent Monday here visiting the former's parents, Mr. and Mrs. Gilbert Vallad.

Mrs. Joseph Pentrack came up from Detroit on the Snow Train Sunday, and is visiting her parents, Mr. and Mrs. Frank LaMotte, for one week.

Mr. and Mrs. Cecil Speight returned to Detroit Sunday after a few days at the home of the latter's parents, Mr. and Mrs. Herman Bidvia.

Mr. and Mrs. George McClellan and two sons of Cheboygan were guests of the E. J. Hewitt family during the trip to the Snow Train, which left here on return to Detroit at 5:30 Sunday evening. While in the metropolis they planned to witness the Sonja Henie performance.

Sunday, January 9th, was the fiftieth wedding anniversary of Mr. and Mrs. Arthur E. Wakeley of the down river neighborhood. In honor of the occasion their chil-

dren and close relatives spent the day with them. In the afternoon they all enjoyed a good old-fashioned dinner together.

Monday night at the regular meeting of Grayling Post 108, the fellows enjoyed a sauerkraut and weinle feed that was the happy thought of Post Commander Earl Wood.

Mrs. Tracy Nelson entertained her Bunco club at her home on Wednesday afternoon. Mrs. Harry Sorenson and Mrs. William Krause holding the high scores. The club will meet next week with Mrs. Harold Hatfield.

At the card party held at St. Mary's parish hall last evening the following received the high scores in the various games that were played: Miss Laura Rasmus-

sen and Harold Edwards for pinocle; Mrs. Richard Lovely, bridge; Mrs. William Childer, piquet; and Mrs. George Burke, 500. Refreshments were served.

Mrs. Roy Trudgeon nicely entertained her Contract Bridge club at luncheon at Shoppens Inn Thursday. Mrs. Emil Giegling held the high score.

Mrs. Carlton Wythe entertained ten girls Friday afternoon to celebrate the seventh birthday of her daughter Elaine. It was a happy afternoon for the children. Elaine received many pretty gifts.

Mr. and Mrs. E. J. Olson who attended the shoe convention at the Hotel Statler in Detroit, also witnessed the Sonja Henie revue at the Olympia Sunday evening. At the revue the Alpena Winter

Sports Queen crowned Miss Henie, honorary "queen" of the Alpena carnival, while State Highway Commissioner Murray D. Van Wagoner presented Miss Alpena with a large bouquet of flowers.

46 YEARS AGO  
January 14, 1915

For some time it has been known that negotiations were in progress for obtaining a branch factory of the E. I. DuPont de Nemours Power company of Wilmington, Delaware, to be located in Grayling and the contracts are now signed, sealed and delivered and preliminary construction work will be commenced almost immediately. It is to be a \$150,000 plant and will be erected here

this year. Miss Carrie Jorgenson left for Lansing Wednesday afternoon for a week's visit.

R. Hanton will leave for Lansing tomorrow to meet with the State Railroad commission.

Miss Melba Hatch has been absent from the Sorenson Bros. store on account of an attack of tonsillitis.

Much excitement was caused on Saturday afternoon when a chimney at the Burton hotel burned out.

Mrs. A. F. Gierke expects to spend the latter part of the week in Bay City.

Mr. and Mrs. Funley of Bay City were here visiting the latter's parents, Mr. and Mrs. Will-

## THE '61 CHEVY BRINGS

## ET-SMOOTH TRAVEL DOWN TO EARTH

This is the Impala Sport Coupe—just one of 20 Jet-smooth Chevies!

### HERE'S WHAT GIVES CHEVY ITS JET-SMOOTH RIDE—

Full Coil suspension—Chevy's one of the few cars with a

coil spring at every wheel. Precision-balanced wheels

—For smoother rolling with less vibration. Sound-hushing

Insulation—Sheet metal is carefully insulated against

drumming and vibration. 51 built-in "shock absorbers"

—Cushion the chassis against shock and shake. Live

rubber body mountings—Extra-large butyl rubber cushions

that further isolate the ride from the road.

Better just circle your dealer's block the first time you try a Jet-smooth '61 Chevy. Get anywhere near an open highway and he's liable never to see you again.

What we mean, Chevy's ride whets your yen to travel. Wins you over with its delightful coil-spring smoothness, its hushed comfort and light steering.

You find yourself feeling sorry for people who buy higher priced cars, thinking they have to pay premium prices for a luxury ride.

That may have been true at one time, but not any more. Chevrolet's ride, its roadability, just doesn't take second place to anybody's.

Drive one soon and see.

Mr. Ed Young of Lapeer came up to his cabin for a few days rabbit hunting with B. J. Mundt and Fred Herrick and got some nice rabbit meat.

Mr. and Mrs. B. J. Mundt spent the holidays with their son, Bob and family and the Jim Hays and family of Sanford, returning home this last week.

The B. J. Mundt and Fred Herrick made a business and shopping trip to Gaylord one day last week.

Fred Herrick spent the holidays fighting the flu bug.

Sorry to hear Harvey Gauthier's baby is in the hospital also Eddie Harwood. Hope they both are soon well and back home.

Rev. and Mrs. Metzger of Houghton Lake are visiting pastor while Rev. Olin is absent.

We are glad to see William Miller up and around again after a bout with that old flu bug.

Community prayer meeting at Mrs. Lotte Craven's this Thursday night, Jan. 12, at the home of Mrs. Eileen Tobin.

Our sympathy goes out to the family of Oscar Charbon. He lived here for a good many years. The Gilbert Craves have come home to stay. Gilbert has retired from the railroad.

Bill Armstrong had the misfortune Saturday to fall off the roof of his home about 7 feet, into a snow bank, and was seriously hurt. He was removed by ambulance to Mercy Hospital.

Mr. and Mrs. Jack Wade had as their guests last week their grandson, a niece and nephew, from Toledo, Ohio.

Thursday, Mrs. Signe Randolph accompanied her son and daughter-in-law to Lansing and visited her aunt there, arriving home on Sunday afternoon.

Mr. and Mrs. Jack McClain of Grand Rapids arrived Saturday and left Sunday, taking their sons John and Gary, who had spent two weeks with their grandparents, the F. J. McClains.

**MOOSE NEWS**  
Sunday, January 8th, the Grayling lodge enrolled 12 new members. After the enrollment, a Swiss steak dinner, topped off with home made pie was served by the Moose. Following the dinner dancing was enjoyed for the balance of the evening to music furnished by the band from Traverse City.

There will be dancing at the Moose Hall on Saturday nights until the month of March. Music will be furnished by the band that played for the enrollment last Sunday.

Grayling lodge will be represented at the State Moose Bowling Tournament by two teams from the local lodge.

## Citizens Study Committee Discusses Many Problems

The Citizens Study Committee met January 4th at the High School with twenty-three present. Chairman Mrs. Robert Schulze called the meeting to order. The minutes of the December meeting were read and approved. Mrs. Schulze welcomed County Supervisors A. L. Roberts, Clare Madison and Emil Gleising, and also Earl Burns, who were present for the meeting.

The Building Site Committee had no further report, but much informal discussion on the subject followed. It was decided the Site Committee with Chairman Leonard Knibbs, would meet before the February meeting and plot maps of the four sites now being studied and present and describe these properties at the joint meeting. Mr. Stripes suggested they have a representative from the State recommend from these

sites which is best.

In regard to the meeting of the supervisors in December attended by some members of this committee, Mrs. Schulze reported the supervisors as being most helpful. In answer to the question of the advisability of a private assessor coming to study and survey School District No. 1, the problem is the expense and where the funds would come from. Mr. Gleising suggested and agreed to contact an appraiser firm and get an estimate of the cost of assessing the City of Grayling and Grayling Township.

Mrs. Schulze exhibited maps drawn to show the comparison between taxes on State-owned land and private property. From here the meeting was turned into informal discussion among small groups, and adjourned at 9:45 p. m.

The next meeting will be held February 6.

## BITS O' TALK

Mrs. Charles Piper received word Tuesday of the death of her aunt, Mrs. Nora Freeman in Houghton Lake. Further details were not available.

After being confined to his home for the past several days, Frank Millikin entered a Bay City hospital as a patient.

Mr. and Mrs. LeRoy Millikin and family arrived home on New Years Day after visiting their daughter and family, the Frank Ludemans in New Mexico, for a week. They stopped Dec. 30th in Detroit to spend the weekend with another daughter, Mr. and Mrs. Morton Schiff, and in Saginaw to see Mrs. Millikin's father, Harold Skingney, who had had a slight heart attack, but is now home doing fine.

Mr. and Mrs. LeRoy Subora and two children of Flint spent last weekend with them.

Building permits issued in December for the Grayling Market for a 20 x 40 foot addition at the rear, and for remodeling on Shoppenagons Hotel.

Miss Geraldine Lowrie was four years old Sunday, January 6th, and to celebrate her mother, Mrs. Mary Lowrie, invited in ten little friends for the afternoon. The children enjoyed games, with Mitchell Millikin and Richard Joseph winning prizes. Refreshments were served from a table centered by the birthday cake, which was decorated with tiny umbrellas surrounding a single large candle in the middle, from which ribbon streamers fanned out. In the evening Geraldine's grandparents, Mr. and Mrs. Herbert Stephens, came over for supper and birthday cake. Geraldine received some very nice gifts.

Town n' Country TV and Radio service phone number is DI 8-3043. Miss Karen Rasmussen arrived Saturday night to visit her parents Mr. and Mrs. Einer Rasmussen, for some time. Her sisters Miss Shirley and Mrs. Don Orr and daughter Mary, also of Traverse City, spent Sunday at the Rasmussen home, and another sister, Mrs. Neils Kren and family of Saginaw, spent Saturday night and Sunday.

Weekend guests of Mrs. William Hunter were her grandchildren, Bert Keely, of Flint and his bride, the former Kathleen Louise McMahon, daughter of Edward McMahon, Euclid, Ohio. Parents of the groom are the late John and Viola Keely, both of whom were formerly of Maple Forest, Mr. and Mrs. Keely were united in marriage in a double ceremony performed in Farnumwood Presbyterian Church, Flint, Michigan, by Rev. Robert Nixon, pastor. Since her father was unable to attend, the bride was given in marriage by the groom's brother-in-law, Robert Wills, and guests were seated by his brother, Darold Keely. A reception was held for the young couple on Monday, January 2nd, at the Wills home at 517 Pulaski St., Flint. Among the 70 guests attending, besides the immediate family were Mrs. Hunter, Mr. and Mrs. Roy Hunter, Mr. and Mrs. Lorraine Loring, Karen Bancroft, Mr. and Mrs. Frederick Hennessy, Flint, and Mr. and Mrs. Wendell Geister and Gretchen and Jean, Clio, Mr. and

Mrs. Keely will make their home in Flint where the groom is employed by the Flint Addressograph Multigraph Corp.

## Former Resident Dies At New Lothrop

Arfield J. Charron, 81, died on Wednesday at his home in New Lothrop. Services were held at 10 a. m. Saturday, January 7, in Maple Grove St. Michael Church with burial in New Calvary, Flint.

Mr. Charron was the son of Mr. and Mrs. Henry Charron, proprietors of the Russell House, which stood where the present Metro's Service station is located on US 27 and Ottawa. Arfield, with four brothers, Armedos, Archie, Dolph and Joe, were members of the Grayling Band directed by the late Ed Clark, which used to play in the bandstand on the courthouse lawn.

He moved to Flint with his family around 1916, when he became employed with Buick Motors, until his retirement in 1952. He was married to the former Mary Rau of West Branch. Besides his widow, he is survived by five daughters, Mrs. Herman Dakin, Mrs. Elizabeth Butterfield, Mrs. Mary Ann, Mrs. Audrey Roach, all of New Lothrop, and Mrs. Katherine DeFrain, of Grand Blanc; 20 grandchildren and 18 great grandchildren; two brothers, Armedos of Alpena and Joseph of Newcastle, Ind.; and a sister, Mrs. Frances Kelsey, of Toledo, Ohio.

### State's County Roads Need Very Great

LANSING — "Michigan's 86,000 mile network of county roads needs a \$3.5 billion dollar improvement program in the next 20 years to avoid rural traffic chaos," John H. Barr said today.

The engineer-director of the County Road Association of Michigan said the multi-billion dollar demands were proved after an 18-month study by road experts for the Michigan State Legislature.

Barr, saying he was "shocked" at the pace of the study, said: "These roads are important to the future growth of Michigan. They connect nearly 400 cities to limited access highways in the state. The cities have a population of nearly four million people."

He declared more than 100 engineers have found that \$1.5 billion dollars should be spent on 23,561 miles of primary roads and \$1.7 billion dollars on 64,000 miles of local roads, plus \$220 million dollars for improvement and construction of 5661 bridges or structures.

Barr said, "The need over the next two decades is for 1,277 miles of multi-lane highways in 22 counties. He declared 90 per cent of this mileage is in eight counties, Wayne, Oakland, Macomb, Kent, Kalamazoo, Genesee, Berrien and Ingham. In this group of primary roads needs are 622 miles of improvements and extensions in Michigan cities."

The last study of county road needs was made in 1955 and showed \$2.5 billion dollars was necessary, or \$125 million dollars a year for a 20-year program. "But revenues," said Barr, "have averaged less than \$50 million dollars a year. The new 20-year program will require \$175 million dollars a year."

Barr emphasized counties have not been dragging their feet in improving and building roads. They have built an average of 1,500 miles of primary roads a year, plus 1,000 miles of local roads and 50 bridges. The local roads have been built with practically 100 per cent local contributions.

"But local contributions," said Barr, "are diminishing \$1 million dollars a year and all signs now indicate the 20-year program of rebuilding, and improvement has become a 30-year program."

Higher costs of material and labor, upgrading road specifications to meet higher traffic volumes, soaring maintenance costs have added up to making the program a near impossibility without extra revenues.

Michigan primary roads connect cities, villages, school districts and public institutions with regional trading centers, state trunklines and other counties.

Local roads are main school bus and rural mail routes, and are roads on which the majority of the farms of Michigan are located. These roads also are feed routes to summer cottages of millions of Michigan residents as well as routes to favorite hunting and fishing sites.

Many of the 5661 bridges in the 20-year improvement program were built when Grover Cleveland was president, and are designed for horse-drawn vehicles. They are designed for one-way traffic and are posted for loadings as little as 25 per cent of the state's legal loading limits.

Barr said many bridges — one example in Ionia county — are unsafe for use by school buses and children are forced to disembark and walk across the structure on foot. Stone wall sub-structures are in such bad condition it is impracticable to strengthen the super-structures.

Barr said, "The 20-year needs study, including the state and city needs, is being turned over to the 1961 state legislature to help lawmakers plan future road policies for the state."

The latest study updates a 1955 survey and one made in 1947.

### All Aliens Reminded To Register Address

Mr. Walter A. Sahli, District Director of the Detroit, Michigan Immigration and Naturalization Service has again reminded all aliens to report their addresses during January.

Cards with which to make the reports are available at Post Offices and offices of the Immigration and Naturalization Service throughout the country. The reports must be submitted to one of those offices.

Parents or guardians submit reports for alien children under 14 years of age.

Mr. Sahli urges all aliens to report their addresses to the nearest Immigration and Naturalization Service office to avoid serious penalties.

# The Inside Story

Next time you see a truck on the road, picture some of the things you buy right along... or have in your home... or hope to own some day... and you'll have the inside story on what that truck's carrying. For it's a fact that everything you eat, wear or use travels part or all of the way to you in trucks. The familiar things that are required to run a household — or a business — they all depend on trucks to get where they're needed. So, you see, the real inside story is that trucks are absolutely essential to your everyday living!

## Bits O' Talk

Clare Burns of Detroit visited his parents, Mr. and Mrs. Earl Burns over the weekend.

The Rev. R. C. Puffer was in Lansing Friday to attend an orientation conference of ministers from the Michigan and Detroit Conferences for the purpose of acquainting them with the program of the church for the new Quadrennium, or next four years.

Mr. and Mrs. Mike Lapka and son Butch left the day after Christmas for Apopka, Fla., to spend three weeks on vacation. They expect to return home this weekend.

Mr. and Mrs. Lyle Russell of Los Angeles, Calif., who have been visiting his father, Gen. in Jackson, spent the weekend with his

brother, UHARLEY Russell and family.

Mrs. Don Gothro, Crusade Chairman, attended an area cancer society meeting at Schlegel's Restaurant in Gaylord on Thursday, in preparation of the coming fund raising crusade.

The Gene Papendicks visited his brother Ed and family at Pompano, the Don Tickner family at Morris, and called on her cousin Wes Woodford at Perry, over the weekend.

Mr. and Mrs. Perry Wells and daughter Vicki and Mr. and Mrs. Hurl Decker left the day after Christmas for Omaha, Neb., to visit the latter's son and family, the Pete Petersons. The Deckers returned home New Year's Eve. Mr. and Mrs. Wells stopped off in Lansing on business for some time.

To celebrate the seventh birth-

day of her daughter Karen, which falls on January 9th, Mrs. Basil Hubbell invited in fourteen of Karen's friends on Saturday afternoon. The children played games and a child won a prize. The traditional ice cream and birthday cake made by Mrs. Hubbell were served. Karen received some very lovely gifts. Her cousin, Roger Hubbell, who was at the party, celebrated his 12th birthday on Sunday, the 8th.

Town 'n Country TV and Radio service phone number is DL-3-043. The Saturday Night Bridge Club was entertained with dinner at the Dale Pettengill home last week, and at bridge the prizes were won by Don Gothro and Dick DuBois.

Miss Susan Hayes was hostess to 18 boys and girls at a dance at Camp Shoppengons during the holidays.

## BUYS FIRST PARK STICKER

Fred Bear, right, president of the Bear Archery Company of Grayling buys the first park use sticker sold at Hartwick Pines State Park from Leonard Jensen, left, park manager. The park use stickers, which allow the car bearing it to enter any state park in Michigan during 1961, are now on sale at all hunting and fishing license dealers as well as at any state park. The annual sticker costs \$2 or daily stickers are available for 50c. Manager Jensen, who has been at Hartwick Pines for 15 years and with the Conservation Department for 25 years said that aside from a 15c service charge by dealers all money collected from the sale will go directly toward retiring a bond issue which will finance a proposed \$3,000,000 parks improvement and lands acquisition program during the current year.

## Michigan Mirror

OF ALL THE CHALLENGES facing Michigan people, the crisis in higher education could be the most vital. Consider these points: Most of the teachers for Michigan schools are trained in Michigan colleges.

The need for doctors is already pinching. It can easily become so great that existing medical training facilities will fall short of handling enough first-year students by 1970.

Michigan business needs well-trained men. Most of them will be educated in colleges and universities within the state.

Add to this the nation's critical overall need for more highly trained scientists and engineers and the simple fact that better educated people are needed every day to keep a complex society operating.

There is obviously ample reason for concern over higher education. The challenge faces all the people, not just the leaders of state government or educators. Not only

do taxpayers finance a major part of the cost of higher education, they also must want to improve educational facilities before action will be taken. It is their attitude on higher education which will be reflected to the Legislature at the time decisions are made.

One indication of expected growth in higher education came recently when Michigan State University president John A. Hannah addressed a group of newsmen and their wives on the East Lansing campus. After explaining the plight of higher education in general, of which MSU is typical, he discussed specifics there.

"Our enrollment is increasing faster than we had expected. Though we are becoming more selective, Michigan State has an obligation to open its classrooms and laboratories to the qualified youth of this state," Hannah said. He pointed out that enrollment at MSU would hit 30,000 by 1966 or 1967.

The number of students at the school has topped 20,000 for the first few years. Hannah noted the increase in students taking advanced study — working toward Master's or Doctoral degrees — as one of the more critical areas. "Graduate enrollment has doubt-

led in the last few years," he said.

Working from projections based on present enrollment trends, Hannah said the make-up of the MSU student body when its numbers reach 30,000 would be about one-third freshmen and sophomores, one-third juniors and seniors, and one-third graduate students.

MICHIGAN'S PARTICIPATION in federal medical care for the needy aged will get a close look from lawmakers during the 1961 session of the state Legislature.

Michigan was one of the first states to come under the program passed by the "bob-tail" or post-party conventions session of Congress.

A special session met in late summer to spell out the qualifications and procedures by which those over 65 years old could come under the program if they

wish.

Sen. Lloyd A. Stephens, R-Scottville, chairman of a joint committee of both houses appointed to study Medicare said recently at least three changes will be recommended to the next Legislature. Expansion of the program was the major point of the committee's proposals.

They would add nursing home care, skilled home nursing and liberalize the income test which is applied to couples wishing to come under the program.

Apparently there is bi-partisan support for the changes.

STATE ELECTIONS OFFICIALS are taking a long look at the practices of local people in charge of voting.

Elections Director Robert M. Montgomery says that each of Michigan's 83 counties will be scrutinized as soon as experts

from his division of the Secretary of State's office can get to it. They started in Oakland County.

Montgomery says the purpose of the inspections is merely to make sure that local officials know how to comply with laws governing elections, and that they are putting the knowledge into use.
